

Frankfort Public Library District

Citizens Advisory Committee

The Frankfort Public Library District Board of Trustees invites community members who live in the District to serve on the Citizens Advisory Committee. The Committee is composed of up to five community members who serve for one year. On average, the volunteer position takes a commitment of up to 2-3 hours per month (which includes 1-2 meetings). Regular meetings of the Board are currently held on the 4th Thursday of the month at 7pm. Members of the Citizens Advisory Committee are not elected members of the Board and cannot vote on Board Agenda items, but they may be called upon by Board Trustees to provide opinions or insights on topics of discussion.

Committee Member Responsibilities:

1. Regularly attend Library Board Meetings.
2. Know the community and its library needs; keep current on library trends; and support staff and Director in carrying out library services.
3. Advocate for the Library in the community and with your elected officials.
4. Understand the Library's mission, services, and long-range plans and articulate these to the community.
5. Provide public comment and perspective on behalf of the community to give feedback to the Board on the Library's direction.
