

## HOMEBOUND SERVICE APPLICATION:

Our homebound services are available to Frankfort Public Library District Cardholders who are unable to visit the Library. "Homebound" is defined as being generally confined to the residence either temporarily, due to illness / injury, or permanently, due to age, disability, or other mobility problems. Service is monthly and no overdue fines are incurred; participants are responsible for all lost or damaged items. We are happy to assist you by bringing your requests or staff selected materials to you.
