Community Wishing Trees

DEC. 1-30

The concept of wishing trees emerged around the world because trees are a universal symbol of hope, life, and resilience. They are found in many different cultures with varying rituals, but what they have in common is a place where people reconnect with what truly matters to them.

Visit our Community Wishing Trees in the Library's West End this holiday season. Write your wish on one of the provided paper stars, then hang it on one of the trees.

AUTHOR VISIT

R Tall Tales and Lost Legends of the Chicago Bears

SUN. DEC. 3 2-3pm

Local author, Joe Ziemba, will join us for an afternoon of "Bears Football." With the continuing struggles of the Chicago Bears (and no Super Bowl championships since the 1985 season), fans may not remember that the Bears were once the dominant team in the National Football League (NFL). Between 1921 through 1946, the Bears won seven NFL titles!

Joe will discuss those glory years of the Bears and give a peek into some of the great "unknown" history of the Chicago Bears back when it seemed that almost every season concluded with a positive ending on the field.
